

Eco Pro Wash

Strata & Commercial Bin Cleaning

Bin Rooms Are the Most-Complained-About Square Footage in Any Building.

Odours travel up parkade elevators, pests move in, and council hears about it.

Eco Pro Wash brings scheduled, eco-safe bin cleaning to strata councils, multi-family buildings, and commercial properties across the Lower Mainland.

What's Included

- Shared bin rooms + individual unit service
- Eco-safe, biodegradable products
- Scheduled visits synced to your collection days
- One point of contact for council / property manager
- Consolidated invoicing for multi-site portfolios
- Volume pricing per door as unit count grows

Pricing Model

Commercial pricing is quote-based and calculated per door or per bin serviced, with volume discounts as unit counts grow. We quote every building within 24 hours.
